About

Annual Health Care Symposium

The Symposium provides a forum to network and share valuable knowledge and resources about the provision of quality health care. Each year presenters and attendees gather for a full day of sessions focused on challenges and innovations experienced by service providers and patients today, creating a valuable resource to service providers and administrators. The daylong conference offers educational opportunities for service providers, community clinic staff, community and state leaders, and other health care stakeholders.

Southern California Consortia

The Community Clinic Association of Los Angeles County, The Coalition of Orange County Community Health Centers, and Council of Community Clinics in San Diego, Imperial and Riverside Counties are jointly hosting the **2014 Annual Health Care Symposium**.

CCALAC, The Coalition, and CCC are 501 (c)(3) organizations representing community clinics and health centers in Southern California. They represent a combined total of **82 member clinics**, which operate over **290 sites** throughout the Southern California region, spanning from Lancaster to San Ysidro on the US/Mexico border. These clinics have provided vital health care services to more than **1.75 million patients** with low or no income in medically underserved populations.

Community Clinics or Health Centers

Community Clinics or Community Health Centers are non-profit, state-licensed organizations that provide high-quality primary care -- including medical, dental and mental health services -- to predominantly low-income and underserved populations. Pharmacy, x-ray, radiology, obstetrics, specialty referral, and other medical services can also be found within clinics.

Community clinics/health centers provide care in a culturally-appropriate manner, and serve ALL regardless of a person's ability to pay.

Code of Conduct

PRINCIPLES AND EXPECTATIONS OF ANNUAL HEALTH CARE SYMPOSIUM PARTICIPATION

The right to participate is essential to create open dialogue between all attendees. The Community Clinic Association of Los Angeles County, The Coalition of Orange County Community Health Centers, and the Council of Community Clinics (collectively referred to hereon as "Hosts") acknowledge the freedom of expression of speakers, participants, sponsors and exhibitors. These principles are the foundation on which the Symposium was created.

All participants attending the Symposium are subject to the laws applicable in the United States and the State of California, where the conference is being held. By attending the conference, participants agree to adhere to these Principles and Values of Conference Participation.

GENERAL PRINCIPLES

All attendees shall conduct themselves in a professional, courteous and respectful manner, refraining from language and actions that might bring discredit upon themselves, their organization, the conference, or Hosts.

Admission:

Hosts reserve the right to refuse admission to the Symposium if an individual or group has previously advocated or supported violent actions or destructive behavior in any way, or if those individuals have previously violated any rule of conduct or applicable law at any prior Hosts' events. Additionally, during the Symposium, Hosts can revoke the name badge, conference registration, and associated materials, and thereby, deny access to participants who do not adhere to this Code of Conduct.

Video and Audio Recording:

Attendees are strictly prohibited from videotaping or audio recording any part of the conference unless written permission has been granted by Hosts. Failure to comply with this rule is grounds for immediate ejection from the event and confiscation of video and/or audio materials. This rule applies to all sessions and events throughout the duration of the conference.

Use of Photography:

Attendees are strictly prohibited from using cameras (including mobile devices) in any session room. Failure to comply with this rule is grounds for immediate ejection from the event and confiscation of the equipment. Attendees may use cameras outside any session room only if written permission has been granted by Hosts.

PROCEDURES INVOLVING DISRUPTIONS AT THE CONFERENCE

Application of the law:

Conference participants are subject to the laws applicable in the United States. Physical force or threats of physical force or destruction or theft of property by conference participants will not be tolerated and will be dealt with in accordance with the laws of the U.S. and the State of California, where the event is being held. Additionally, the response may include escorting participants from the conference venue.

Withdrawal of Admission:

In the event of any disruptions including, harassing or persistently taunting an attendee, speaker, or sponsor/exhibitor, or any other action that does not respect these Principles, Hosts may withdraw a participant's admission and name badge and suspend or cancel the participant's access to the conference. Violation of the rules is also grounds for ineligibility at future Hosts' events.

Public Statement:

In the event that freedom of expression is abused, property is destroyed, stolen or physical force is used or threatened by a participant, Hosts may issue a statement concerning the action that reflect the framework of the Principles and Values of Conference Participation.

Attendees expelled from a conference for violations of this Code of Conduct will not be afforded a refund or credit for conference attendance fees. Hosts also are not liable for hotel or travel costs incurred by an attendee expelled from an event.
