Dear Friend,

Do you have health insurance? If you cannot afford it, have been denied coverage because of a pre-existing condition or simply do not have insurance, you can purchase affordable coverage through Covered California.

Covered California is the state's new "health insurance marketplace" and was created to meet the requirements of the federal Affordable Care Act. *You may be one of the over five million Californians expected to benefit from Covered California.* Open enrollment is October 1, 2013 through March 2014.

**Please attend this upcoming enrollment event.
Don't miss out on affordable health care**
