

Health Center Partners announces:

A Roundtable and Resource Fair on SOCIAL DETERMINANTS OF HEALTH

November 16, 2017 10:30-1:30

Scottish Rite Event Center

1895 Camino del Rio South, San Diego 92108

The goals of our Roundtable and Resource fair are:

- **For health centers to learn from one-another about how they are screening for Social Determinants of Health (SDOH), and how they use that information to better care for their patients**
- **To connect health center staff who are screening for SDOH with the agencies who provide resources and services their patient's needs.**

Tentative Agenda

10:30 - Welcome and orientation to plan for Roundtable and Resource Fair

10:45 - Introduction of participating Health Center staff

11:00 – 3 minute “Statement of Purpose” from each resource/service provider

11:30 – “Resource Fair” - Health Center staff visit resources

12:00 – Lunch

12:30 – “Roundtable” - Presentation by select Health Center staff followed by a general discussion on the “Who, What, When, Where, and How of SDOH Screening”
