

CNECT, a national healthcare Group Purchasing Organization (GPO), is seeking a driven, detail-orientated Data Specialist to join our Operations Team at our corporate headquarters in San Diego. This position will be responsible for:

- Performing member and supplier analytics to ensure proper contract connection.
- Identifying savings opportunities by analyzing member spend using multiple data sources.
- Manipulating customer spend information into multiple scenarios to identify trends and aid in decision making.
- Troubleshooting and resolving contract connection issues
- Staying current on new contract launches affecting CNECT members
- Serving as a subject matter expert, advising other team members as needed

The ideal candidate must have strong data analysis & critical thinking skills, and the ability to make sound decisions in a dynamic environment. A Bachelor's Degree in Business is required with a minimum of 3 - 4 years' experience providing data analysis/sales support is required.

CNECT has been recognized by the San Diego Business Journal as one of San Diego's 50 'Fastest Growing Private Companies' and 'Best Places to Work' in 2011, 2012, and a winner in 2013 and 2014. CNECT offers a competitive benefits package, alternate work schedule opportunities, and a great team environment.
