The California Endowment, Los Angeles

Join California Family Health Council (CFHC) and Council of Community Clinics for the 31st annual Women's Health Update, a leading clinical conference for health professionals seeking continuing education on the most up-to date best practices and clinical guidelines for providing quality sexual + reproductive health care.

Women's Health Update 2014 Plenary Presenters + Topics

- **Michael Policar**, MD, MPH, The "Choosing Wisely" Initiative: Recommendations for Women's Health Care
- **Anita Nelson**, MD, The Future of Contraception: What's on the Horizon
- **Erin Saleeby**, MD, MPH, Envisioning Women-Centered Care in a Changing Health Care Landscape
- **Patty Cason**, MS, CFNP, Providing Quality Contraceptive Care Throughout the Reproductive Life Cycle

Workshop Highlights Include:

- Progestins and Safety: What You Should Know
- Multipurpose Technologies: The Intersection of Contraceptives, HIV and STDs
- Controversies in Breast Cancer Screening
- Advanced Female Sexual Anatomy: Tips and Skills to Support Your Patient's Sexual Health
- Evaluation of Abnormal Uterine Bleeding: The New Name of the Game
