

Imperial Beach Community Clinic

At Imperial Beach and Nestor Community Health Centers we strive to create a welcoming environment where patients feel at home, receive high quality primary health care at an affordable cost, and gain the knowledge, skills, and confidence to improve their health.

Serving southwest San Diego County since 1971

We provide:

- Patient-centered, culturally appropriate care
- Physical exams for all ages
- Screenings, assessments and immunizations
- Family planning services
- Prenatal care and delivery services
- Diabetes care
- Nutrition classes and counseling
- Integrated behavioral health services
- Sliding fee scale
- Translation, case management, insurance enrollment assistance
