

Sycuan Medical Dental Center

Sycuan Medical Dental Center
The Mission of the Sycuan Medical Dental Center is to improve the overall quality of health and well being of our Native American Community and culturally diverse people by the established healthcare system of the Sycuan Band of Kumeyaay Nation and its Tribal Council.

- Established in 1978
- Located in Eastern San Diego on Sycuan Reservation
- 2200 medical patients with 6500 visits a year
- 1200 dental patients with 3000 visits a year
- 10,000 prescriptions filled a year
- Staff of 32

Our physicians are Board Certified/Board Eligible in their field. We offer four different areas of expertise in the medical field: Family Practice, Internal Medicine, Pediatrics and Podiatry. Our dental center offers four areas of services, Emergency Care, Preventive Care, Restorative Care and Rehabilitative Services. In addition we offer a full service pharmacy.

5442 Sycuan Road,
El Cajon CA. 92019
