

Hosting Services

Converting Needs Into Solutions

How Can We Help You?

The TSO can remove many of the upfront costs and personnel required when implementing new systems and applications by hosting your system for you.

We do this by providing you with the infrastructure, network, server, and data storage resources, while providing access to a 24/7 on-call Help Desk.

Our state-of-the-art co-location facility provides physical security, fire and water protection, and power redundancy.

Hosting Services are available for, but not limited to:

- Help Desk – 24/7 access included with Application and/or System Hosting
- HIE Solutions
- NextGen
- eClinicalWorks
- Allscripts Pro
- Medstreaming
- Office Practicum
- i2iSystems - i2iTracks
- CarePoint GuardianRx
- Microsoft Exchange Email
