

From the Office of the President and CEO

May 11, 2017

Dear HCP Member CEOs,

Health Center Partners and their member guests enjoyed a productive and enriching Day at the Capitol (DATC) last Wednesday, May 3rd in Sacramento. Henry Tuttle and Vernita Todd also received a lot of vital information at the CPCA Board and Committee Meetings, which took place the two days after DATC. We would like to call your attention to some of the materials they gathered, as they are very pertinent to you, your health center, and the initiatives and programs we are working on together as members of HCP.
