Compliance Manual Implementation Update

August 2017: Release of the Compliance Manual

January 2018: Implementation of Site Visit Protocol

	OSVs Completed	Conditions Placed
January-March 2017	27	401
January-March 2018	46	255

Operational Site Visit Tips

- #1:** Address any conditions as soon as possible, and definitely before your FY 2019 SAC application submission
- #2:** Read the compliance manual before site visit
- #3:** Read guidance and protocol before site visit

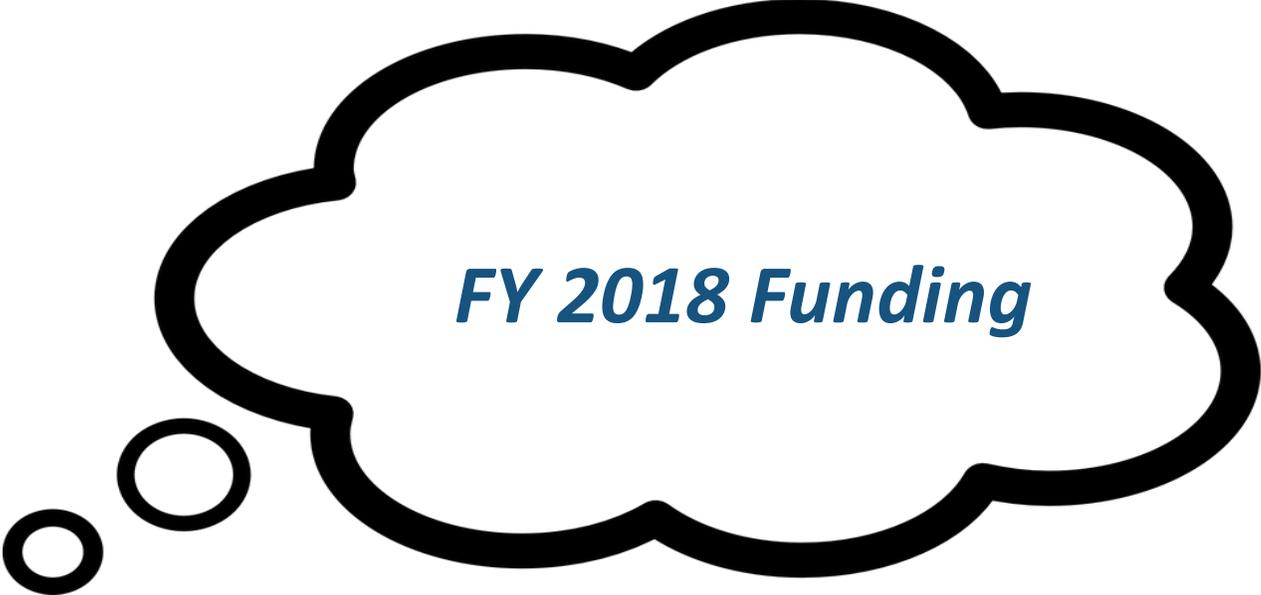

Diabetes Management Quality Improvement

- OSVs include a component of the Diabetes Quality Improvement Initiative: diabetes control measure performance analysis and action planning
- Following OSVs, HRSA monitors progress on action plans developed during OSVs
- HRSA will use data to identify health centers that might benefit from targeted TA and training resources and link to TA and training
- HRSA is also enhancing communication with health center clinicians
