June 2022

# About CNECT

Since 1979, CNECT has been driven by a commitment to championing and furthering the cause of community health centers (CHCs) and improving the lives of those they serve.

- CNECT is an industry-leading GPO or group purchasing organization.
- We're an affiliate of Premier Inc., one of the nation's largest GPOs.
- Thousands of members benefit from CNECT's services and expertise each year.
- Trusted by more than 850 CHCs.

# CNECT + Health Center Partners

CNECT is the for-profit arm of the Health Center Partners Family of Companies.  
CNECT reinvests its revenue into HCP, IHP and HQP in support of their initiatives to improve access and quality of care in southern California.
